

Extra Space Storage Inc. Announces Second Dividend of the Third Quarter 2023 on Common Stock

August 18, 2023

Resulting in Total Third Quarter Payout of \$1.62 per share of Common Stock

SALT LAKE CITY, Aug. 18, 2023 /PRNewswire/ -- Extra Space Storage Inc. ("EXR" or the "Company") (NYSE: EXR) announced today that the Company's board of directors has declared a dividend of \$0.61 per share of common stock to be paid on September 29, 2023 to stockholders of record at the close of business on September 15, 2023.

In addition to this dividend of \$0.61 per share of common stock, the Company previously paid a dividend of \$1.01 per share of common stock on July 19, 2023 prior to its merger with Life Storage, Inc. The pre-closing dividend was attributed to the total amount paid for the third quarter, so that between the pre-closing dividend of \$1.01 per share and today's announced quarterly dividend of \$0.61 per share to be paid, an EXR stockholder will receive a total dividend of \$1.62 per share of common stock, consistent with the Company's second quarter 2023 dividend.

It is anticipated that the Company's board of directors will return to its historical practice of paying a single quarterly dividend during the fourth quarter of 2023.
