**PROXY STATEMENT  
FOR ANNUAL MEETING OF STOCKHOLDERS**

**to be held at 11:00 a.m., Mountain Daylight Time, May 21, 2008  
at the Grand America Hotel, 555 South Main Street, Salt Lake City, Utah 84111**

---

We are furnishing this proxy statement to our stockholders in connection with the 2008 annual meeting of stockholders.

Our board of directors is soliciting proxies of our stockholders to vote their shares at the annual meeting. These proxy materials have been prepared by our management for the board of directors. This proxy statement and the accompanying form of proxy are first being sent to our stockholders on or about April 16, 2008.

---

**VOTING**

**Voting Shares at the Annual Meeting**

A stockholder is entitled to vote at the annual meeting if our records show that the stockholder was a stockholder of record as of the close of business on March 31, 2008, the date our board of directors has selected as the record date for this meeting. At that time, a total of 66,437,222 shares of our common stock were outstanding and entitled to vote. Each share of our common stock has one vote. Proxy cards accompanying this proxy statement show the number of shares that each stockholder of record is entitled to vote. Stockholders do not have cumulative voting rights.

Stockholders at the annual meeting will consider the election of directors and the other items listed on the notice of meeting. They may vote in favor of some or all of the nominees for director or may withhold their votes from some or all of the nominees. For all other proposals, they may vote for or against, or they may abstain from voting.

Stockholders may vote in person at the annual meeting, or they may grant a proxy by marking, signing, dating, and returning the proxy cards in the postage paid envelopes provided.

Shares will be voted as the stockholder of record instructs. The persons named as proxies on the proxy card, signed by the stockholder of record, will vote as recommended by our board of directors on any matter for which a stockholder has not given instructions. The board of directors' recommendations appear on page 3.

---

## **Revoking a Proxy**

Stockholders of record may revoke their proxy and change their votes any time before their votes are cast by:

- giving written notice of revocation to our Corporate Secretary at our address prior to the annual meeting,
- signing and forwarding to us a later dated proxy, or
- attending the annual meeting and voting their shares of common stock in person.

## **Quorums and Vote Counting**

The annual meeting requires a quorum, which means that a majority of the shares issued and outstanding as of the record date must be represented at the meeting. If a stockholder grants a proxy or attends the meeting in person, that stockholder's shares will be counted to determine whether a quorum is present, even if the stockholder abstains from voting on some or all matters introduced at the meeting. "Broker nonvotes" (as described below) also count for quorum purposes.

If shares are held through a broker, bank or other nominee, generally the nominee may vote the shares it holds for the stockholder in accordance with the stockholder's instructions. However, if the nominee has not received instructions within ten days prior to the meeting, the nominee may vote in its discretion only on matters that the New York Stock Exchange (the "NYSE") determines to be routine. If a nominee cannot vote on a particular matter because it is not routine, there is a "broker nonvote" on that matter.

The seven nominees for director who receive the highest vote totals will be elected as directors. All other matters must be approved by a majority of the votes cast by stockholders who are present or represented and entitled to vote at the annual meeting. In addition, the total vote cast on the proposal to approve the amendment and restatement of our 2004 Long Term Incentive Compensation Plan must represent over 50% in interest of all shares of stock entitled to vote on the matter. Abstentions and broker nonvotes are counted as present and entitled to vote, but they are not counted as votes for or against any proposal and therefore have no effect on the outcome of the election of directors, or the proposal to ratify our Audit Committee's selection of our independent registered public accounting firm for 2008. Abstentions and broker nonvotes will also have no effect on the outcome of the proposal to approve the amendment and restatement of our 2004 Long Term Incentive Compensation Plan, unless holders of less than 50% in interest of all shares of stock entitled to vote on the proposal cast votes, in which event they will have the same effect as votes against the proposal.

American Stock Transfer & Trust Company, our transfer agent and registrar, will assist in the distribution of proxy materials and tabulation of votes.

## **Costs of Soliciting Proxies**

We are paying the costs of soliciting proxies. In addition to solicitation by mail, certain of our directors, officers and regular employees may solicit the return of proxies by telephone, facsimile, personal interview or otherwise without being paid additional compensation. We will also reimburse brokerage firms and other persons representing the beneficial owners of our shares for their reasonable expenses in forwarding proxy solicitation material to the beneficial owners in accordance with the proxy solicitation rules and regulations of the Securities and Exchange Commission (the "SEC") and the NYSE.

## CORPORATE GOVERNANCE

### Corporate Governance Guidelines

The Company has adopted corporate governance guidelines titled "Corporate Governance Guidelines" which are available at [www.extraspace.com](http://www.extraspace.com) under Investor Relations—Corporate Governance and in print to any stockholder that requests a copy. These principles were adopted by the board of directors to help ensure that the board of directors is independent from management, adequately performs its function as the overseer of management and that the interests of the board of directors and management align with the interests of the stockholders.

### Director Independence

In accordance with the NYSE rules, the board of directors affirmatively determines the independence of each director and nominee for election as a director in accordance with the rules as listed on the NYSE website. We have not adopted any additional standards for independence outside those listed by the NYSE. The listing requirements of the NYSE require that a majority of the members of a listed company's board of directors and that all members of its audit committee and compensation, nominating and governance committee be independent. Based on these standards, the board of directors has determined that each of the following non-employee directors is independent and has no relationship with the Company, except as a director and stockholder of the Company:

Anthony Fanticola  
Hugh W. Horne  
Joseph D. Margolis  
Roger B. Porter  
K. Fred Skousen

### Nomination for Directors

The Compensation, Nominating and Governance Committee is responsible for screening potential director candidates and recommending qualified candidates to the board of directors for nomination. Stockholders' nominations for directors must be made in writing and include the nominee's written

consent to the nomination and sufficient background information on the candidate to enable the committee to assess his or her qualifications. Nominations should be addressed to the Company's Corporate Secretary at the following address:

Extra Space Storage Inc., Attn: Corporate Secretary  
2795 East Cottonwood Parkway, Suite 400  
Salt Lake City, Utah 84121

### *Qualifications*

The board of directors has developed criteria that are designed to describe the qualities and characteristics desirable for the board of directors as a whole.

The criteria are reviewed annually by the Compensation, Nominating and Governance Committee and the board of directors. In general, they require that each director:

- is committed to enhancing long-term stockholder value and possesses a high level of personal and professional ethics;
- has sound business judgment and integrity;
- has financial literacy or other business or professional experience relevant to understanding our business;
- has the ability to think and act independently; and

### **Code of Business Conduct and Ethics**

Our Code of Business Conduct and Ethics (the "Code") outlines the principles of conduct and ethics to be followed by our employees, officers and directors, including our principal executive officer, principal financial officer and principal accounting officer. The purpose of the Code is to:

- promote honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;
- promote avoidance of conflicts of interest, including disclosure to an appropriate person or committee of any material transaction or relationship that reasonably could be expected to give rise to such a conflict;
- promote full, fair, accurate, timely and understandable disclosure in reports and documents that we file with, or submit to, the SEC and in other public communications made by the Company;

### **Committees of the Board of Directors**

The board of directors has two committees. The committees on which each director serves are listed in the biographical information for the directors above.

The Audit Committee has direct responsibility for the appointment, compensation, retention and oversight of the independent auditors for the Company, and sole authority to establish pre-approval policies and procedures for audit and non-audit engagements with the independent auditors. The Audit Committee also oversees the operation of a comprehensive system of internal controls designed to ensure the integrity of our financial statements and reports and compliance with laws, regulations and corporate policies. Additionally, the Audit Committee oversees the independent auditor's qualifications, performance and independence; monitors communications with the independent auditor; and monitors the performance of the internal audit function at the Company. A copy of the Audit Committee's charter is available at the Company's website [www.extraspace.com](http://www.extraspace.com) under Investor Relations—Corporate Governance and in print to any stockholder that requests a copy.

In accordance with the rules of the NYSE, the board of directors has determined that each of the current members of the Audit Committee is independent as defined by the Audit Committee's charter and Sections 303.01(B)(2)(a) and (3) of the NYSE Listing Standards.

The board of directors has determined that Mr. Skousen, is an "audit committee financial expert," as defined in the SEC's Regulation S-K, Item 407(d)(5).

*Report of the Audit Committee*

The Audit Committee assists the board of directors in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing and financial reporting practices of the Company, as well as the Company's compliance with corporate policies, legal and regulatory requirements, including the Sarbanes-Oxley Act of 2002. During fiscal 2007, the Audit Committee met 12 times, and discussed with the Chief Executive Officer ("CEO"), Chief Financial Officer ("CFO"), controller, internal auditors and independent registered public accounting firm (external auditors), the SEC filings that contained financial information, prior to their public release. The Audit Committee's meetings include, whenever appropriate, executive sessions with the Company's independent registered public accountants and with the Company's internal auditors, in each case without the presence of the Company's management.

In discharging its oversight responsibility, the Audit Committee received from the external auditors a formal written statement describing all relationships between the external auditors and the Company that might bear on the external auditors' independence and discussed with the external auditors their independence and any relationships that may impact their objectivity and independence. The Audit Committee also discussed with management, the internal auditors and the external auditors the quality and adequacy of the Company's internal controls and the internal audit function's organization and responsibilities. The Audit Committee reviewed both with the external and internal auditors their audit plans, audit scope and identification of audit risks.

In carrying out its responsibilities, the Audit Committee, among other things:

- monitors preparation of quarterly and annual financial reports by the Company's management;
- supervises the relationship between the Company and its independent registered public accountants, including: having direct responsibility for their appointment, compensation and retention; reviewing the scope of their audit services; approving audit and non-audit services; and confirming the independence of the independent registered public accountants;
- oversees management's implementation and maintenance of effective systems of internal and disclosure controls, including review of the Company's policies relating to legal and regulatory compliance, ethics and conflicts of interests and review of the Company's internal auditing program; and

- reviews, approves and/or ratifies related party transactions for which such approval is required under applicable law, including SEC and NYSE rules.

During fiscal 2007, management advised the Audit Committee that each set of financial statements reviewed had been prepared in accordance with U.S. generally accepted accounting principles, and reviewed significant accounting and disclosure issues with the Audit Committee. These reviews included discussion with the independent registered public accountants of matters required to be discussed pursuant to *Statement on Auditing Standards No. 61 (Communication with Audit Committees)*, as amended, including the quality of the Company's accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. The Audit Committee also discussed with Ernst & Young LLP matters relating to its independence, including a review of audit and non-audit fees and the written disclosures and letter from Ernst & Young LLP to the Audit Committee pursuant to *Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees)*.

In addition, the Audit Committee reviewed key initiatives and programs aimed at strengthening the effectiveness of the Company's internal and disclosure control structure. As part of this process, the Audit Committee met privately with the Company's head of Internal Audit and continued to monitor the scope and adequacy of the Company's internal auditing program, reviewing internal audit department staffing levels and steps taken to implement recommended improvements in internal procedures and controls. The Audit Committee conducted a performance self-evaluation for review with the board of directors that included a comparison of the performance of the Audit Committee with the requirements of its Charter.

As set forth in the Audit Committee's Charter, management of the Company is responsible for the preparation, presentation and integrity of the Company's financial statements. Management is also responsible for maintaining appropriate accounting and financial reporting principles and policies and internal controls and procedures that provide for compliance with accounting standards and applicable laws and regulations. The internal auditors are responsible for independently assessing such financial statements, principles and policies and internal controls and procedures as well as monitoring management's follow-up to any internal audit reports. The external auditors are responsible for planning and carrying out a proper audit of the Company's annual financial statements, reviews of the Company's quarterly financial statements prior to the filing of each Quarterly Report on Form 10-Q, and annually auditing the effectiveness of the Company's internal controls over financial reporting and other procedures. The members of the Audit Committee are not full-time employees of the Company and are not performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures or to set auditor independence standards.

## EXECUTIVE COMPENSATION

### Compensation Discussion and Analysis

#### *Introduction*

The Company's executive compensation philosophy, policies, and program are under the supervision of the Compensation Nominating and Governance Committee of the board (referred to in this Compensation Discussion and Analysis as the "Committee"). The Committee is composed entirely of independent board members. A description of the composition, authority, and responsibilities of the committee are found in "Corporate Governance—Committees of the Board of Directors."

The Committee's primary responsibilities with respect to compensation are to:

- establish the Company's total compensation philosophy, and ensure that the compensation programs of the Company reflect that philosophy;
- establish the compensation of the CEO;
- review and approve the CEO's compensation recommendations with respect to other executives;
- monitor awards under the Company's equity compensation plans; and
- report routinely to the board in executive sessions.

#### *General Philosophy*

The philosophy underlying our executive compensation policies is to align management's incentives with the long-term interests of stockholders and to be competitive with comparable employers. Accordingly, we have structured the executive compensation program to:

- reinforce a results-oriented culture with executive pay that reflects Company and individual performance against business objectives and high ethical standards;
- provide compensation that attracts, retains and motivates key executives;
- emphasize variable performance-based compensation, commensurate with an executive's increasing responsibilities; and
- align the interests of stockholders and the Company's executives by implementing compensation programs that provide for acquiring and retaining significant equity interests in the Company by senior executives.

Each named executive officer's total compensation is comprised of the following elements designed to complement each other:

- base salary
- annual incentive bonus
- long term incentives through stock options and restricted stock; and
- other benefits typically offered to executives by major U.S. corporations.

#### *Setting Executive Compensation*

In order to ensure the fulfillment of the general philosophy as outlined above and to assist in establishing the Company's aggregate level of compensation, the Committee engages a nationally recognized compensation consulting firm, Mercer, that reports directly to the Committee to maintain its independence.

Working with the consultant, the Committee developed a list of eleven comparable companies, all REITs, that are similar to the Company in enterprise value, number of employees, number of properties, and total revenue. The Committee also took into consideration such elements as joint venture properties and unconsolidated revenues. The companies used in the comparator group are:

- AvalonBay Communities, Inc.
- Camden Property Trust
- Colonial Properties Trust
- Equity Lifestyle Properties, Inc.
- Essex Property Trust, Inc.
- First Industrial Realty Trust
- Home Properties
- Mid-America Apartment Communities, Inc.
- Sovran Self Storage, Inc.
- U-Store-It Trust
- UDR, Inc.

The group included two direct competitors, Sovran Self Storage, Inc. and U-Store-It Trust. The remaining companies represent publicly traded REITs with market capitalizations comparable to Extra Space and that generally recruit individuals to fill senior management positions who are similar in skills and background of those recruited by the Company. We also consider historical compensation levels and the relative compensation levels among the Company's senior executive officers as well as other industry conditions and the overall effectiveness of our compensation program.

The Committee attempts to design programs that deliver total compensation for executives that approximates the 50th percentile (size adjusted) of the comparator group for the achievement of "at target" performance. Actual payouts may be substantially above or below the 50th percentile depending on actual performance compared to the target and based on individual performance related goals.

For the CEO, the consulting firm provides market data regarding salary, annual cash incentive award targets, and long-term incentive compensation awards, and provides advice directly to the Committee as it makes decisions with respect to compensation.

For the other executives, the CEO provides the initial recommendations regarding salary, annual cash incentive awards and other long-term incentive compensation awards. His recommendations are based on his evaluation of each senior executive's performance against business performance targets and objectives. The Committee reviews these recommendations in light of the market data prepared by the consulting firm. For other forms of compensation and benefits, management generally makes initial recommendations that are considered by the Committee.

The following describes each element of our executive compensation program, along with a discussion of the decisions taken by the Committee with respect to that aspect of compensation for 2007.

#### *Base Salary*

Base salary is a critical element of executive compensation as it provides executives with assured monthly cash compensation. In determining base salaries, we consider a number of factors including the executive's qualifications and experience, scope of responsibility, the goals and objectives established for the executive, the executive's past performance, the salaries paid to the position within the compensation peer group, and the relative position of base salaries among executives.

#### *Annual Incentive Bonus*

The annual incentive bonus provides senior executives an opportunity annually to earn a cash bonus for achieving specified performance based goals for the fiscal year. These performance based goals are tied half to their performance relative to specified individual goals and half to the financial operating performance of the Company.

The financial performance goals set for 2007 specifically related to the Company's achievement of a specific Funds From Operations ("FFO") target. The portion of bonus based on FFO could incrementally increase or decrease based on meeting, exceeding, or failing to meet the FFO target.

The Company 2007 FFO performance of \$1.10, excluding the effect of auction rate securities, resulted in the payment of 110% of the portion of the bonus related to the achievement of the FFO goal.

The CEO and CLO were paid the full 50% of their bonus related to individual performance related goals, and the CFO and COO were paid at 223% and 168% of the bonus related to individual personal goals, respectively. The additional amounts paid to the CFO and the COO reflected their outstanding performance of achieving difficult objectives in a challenging environment, including the following:

- successful financings completed at favorable terms;
- properties acquired at attractive capitalization rates;
- industry leading same-store performance;
- industry leading FFO growth; and
- successful cost containment at same-store properties.

The Long Term Incentive Program allows for awards of stock options and grants of restricted stock under the Company's 2004 Long Term Incentive Compensation Plan. The goals of the Company's equity awards are to: (1) align the interests of each executive officer with those of our stockholders by providing each individual with a significant incentive to manage the Company from the perspective of a stockholder with an equity stake in the business, and (2) encourage long-term retention of key employees by virtue of vesting conditions imposed on typical equity awards. Employees must remain employed by the Company for a fixed period of time in order for the equity awards to vest fully. Typically, option awards and grants of restricted stock vest over a four-year period at the rate of 25% per year and the options have a term of ten years. Vesting ceases upon termination of employment and unvested options and grants of restricted stock are cancelled upon termination of employment. The right to exercise vested options ceases 90 days after termination of employment, except that in the case of death, disability or retirement, the exercise period extends until one year after such termination of employment. Prior to the exercise of an option, the holder has no rights as a stockholder with respect to the shares subject to such option, including voting rights and the right to receive dividends or dividend equivalents.

In February 2007, as part of the total compensation package, grants of both stock options and restricted stock were given to the named executive officers. In September 2007, Mr. Kirk received an option grant upon joining the Company as President.

In February 2008, grants of both stock options and restricted stock were given to the named executive officers as part of their 2008 annual compensation package reflecting data gathered as part of the comparator group survey. The restricted stock grant given to the CFO had 25% vest immediately upon grant and the remaining 75% will vest over four years. This accelerated vesting was intended to act as a discretionary stock bonus for his performance in 2007.

Until the second quarter of 2007, the exercise price of our stock options was based on the five day average of our stock price prior to the date of grant. Accordingly, we amended the 2004 Long Term Incentive Compensation Plan to provide that the exercise price of our stock option grants would be set based on the closing price of our common stock on the date of grant. Stock option awards and grants of restricted shares are discussed and reviewed at regularly scheduled meetings of the Committee. By taking such actions at regularly scheduled meetings, the Committee seeks to avoid even the possibility that there could be an appearance that the grant timing was manipulated to affect the value of the awards. We do not have any program, plan or practice to coordinate stock option grants with the release by us of material non-public information or any other investor relations activities.

#### *Employee Benefits and Other*

In order to attract, retain and pay market levels of compensation, we provide our named executive officers and other employees the following benefits and perquisites.

*Medical Insurance.* The Company makes available to each named executive officer and their spouses and children such health, dental and vision insurance coverage as the Company may from time to time make available to its other corporate employees. A portion of the insurance coverage is paid by the Company.

*Life Insurance.* The Company provides each named executive officer such life insurance as the Company may from time to time make available to its other corporate employees.

*Relocation Costs.* Due to the Storage USA acquisition in 2005, it was necessary for certain employees to relocate to Salt Lake City, Utah. Relocations costs were paid by the Company for such moves.

*Pension Benefits.* We do not provide defined benefit pension arrangements or post-retirement health coverage for our executives or employees. Our executive officers are eligible to participate in our 401(k) defined contribution plan. The Company currently matches 100% of the first three percent of an employee's compensation contributed by each employee to our 401(k) plan and then 50% of the next two percent of an employee's compensation contributed.

*Nonqualified Deferred Compensation.* We have not established any nonqualified defined contribution or other deferred compensation plans.

*Post-Termination Benefit.* We believe that reasonable severance benefits for our named executive officers are important because it may be difficult for our named executive officers to find comparable employment within a short period of time following certain qualifying terminations. Accordingly, the employment agreements we have entered into with our named executive officers provide for severance benefits in specified circumstances.

*Other.* We limit the perquisites that we make available to our executive officers, particularly in light of the potential for abuse associated with such perquisites. Our executives are entitled to few benefits that are not otherwise available to all of our employees. The aggregate value of these other benefits was less than \$10,000 for each executive officer in the last fiscal year.

#### **Policy Regarding Tax Deductibility of Compensation**

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public companies for compensation in excess of \$1 million paid to the company's chief executive officer and four other most highly paid executive officers. Qualifying performance-based compensation will not be subject to the deduction limitation if certain requirements are met. The Company's CEO, CFO, and CLO are employed by our operating partnership Extra Space Storage LP and not by Extra Space Storage Inc. their compensation is not subject to the deduction limits of Section 162(m).

However, if our CEO, CFO, and CLO were paid by Extra Space Storage Inc. and including our President and COO, the non-performance based compensation paid in cash to our named executive officers in 2007 did not exceed the \$1 million limit per officer, and the Committee does not anticipate that the non-performance based compensation to be paid in cash to our executive officers for 2008 will exceed that limit. In addition, our equity incentive plan has been structured so that any compensation paid in connection with the exercise of option grants under that plan, with an exercise price equal to the fair market value of the option shares on the grant date will qualify as performance-based compensation. Restricted stock, which vests solely over time, will not qualify as performance based compensation.

#### **Compensation Committee Report**

The Committee has reviewed and discussed the Compensation Discussion and Analysis with the Company's management and, based on our review and discussions, the Committee recommended to the board of directors that the Compensation Discussion and Analysis be included in this proxy statement.

- eligibility for participation in the Company's 2004 Long Term Stock Incentive Compensation Plan; and
- participation in all of the employee benefit plans and arrangements made available by us to the Company's similarly situated executives.

Messrs. Woolley's, Christensen's, Allen's and Haas's employment agreements provide that, if their employment is terminated by us without "cause" or by Messrs. Woolley, Christensen, Allen, and Haas for "good reason" (each as defined in their employment agreements), they will be entitled to the following severance payments and benefits to be paid within 30 days of the end of employment: (1) two years of annual base salary and two times the average of the two previous annual bonuses, (2) annual salary and other benefits earned and accrued under the applicable employment agreement prior to the termination of employment, (3) two year continuation of health benefits and (4) acceleration of vesting of incentive compensation and any non-qualified pension or deferred compensation benefits.

Upon the termination of an executive officer's employment either by us for "cause" or by Messrs. Woolley, Christensen, Allen, or Haas without "good reason" during the term, such executive officer will be entitled to receive his annual salary and bonus earned and accrued through the date of termination of the executive officer's employment.

Messrs. Woolley's, Christensen's and Allen's employment agreements also provide for payment of any annual salary or other benefits earned and accrued in the event of their death or "disability" (as defined in the employment agreement), to the executive, or his estate or beneficiaries, and payment of applicable life insurance and long term disability benefits.

As part of their employment agreements, Messrs. Woolley, Christensen, Allen and Haas have entered into a non-competition period that will extend for one year after termination by the employee or by us.

The following table sets forth the value of the amount that would have been received by or paid on behalf of our named executive officers for change of control or termination within the terms of the employment agreements as of December 31, 2007:

#### **Section 16(a) Beneficial Ownership Reporting Compliance**

Under federal securities laws, our directors, executive officers and holders of 10% or more of our common stock are required to report, within specified monthly and annual due dates, their initial ownership in the Company's common stock and all subsequent acquisitions, dispositions or other transfers of beneficial interests therein, if and to the extent reportable events occur which require reporting by such due dates. Based solely on representations and information provided to us by the persons required to make such filings, we believe that all filing requirements were met in 2007, except that the Company was late in filing the Form 4s for the named executive officers' option and restricted stock grants in February 2007.

### **CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**

#### **Review and Approval of Related Party Transactions**

The Company recognizes that related party transactions present a heightened risk of conflicts of interest (or the perception thereof), and therefore has adopted a policy pursuant to which all related party transactions will be subject to review and approval or ratification in accordance with the procedures set forth in the policy. A related party transaction is defined in our policy as a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) requiring disclosure under Item 404(a) of Regulation S-K promulgated by the Securities and Exchange Commission, or any successor provision as then in effect.

The policy provides that related party transactions are reviewed by our Audit Committee or another independent body of the board of directors, such as the independent and disinterested members of the board of directors. As set forth in the Audit Committee charter, the members of the Audit Committee, all of whom are independent directors, review and approve related party transactions for which such approval is required under applicable law, including SEC and NYSE rules.

In the course of its review and approval or ratification of a disclosable related party transaction, the Audit Committee or the independent and disinterested members of the board of directors may consider:

- the nature of the related person's interest in the transaction;
- the material terms of the transaction, including, without limitation, the amount and type of transaction;
- the importance of the transaction to the related person;
- the importance of the transaction to the Company;
- whether the transaction would impair the judgment of a director or executive officer to act in the best interest of the Company; and
- any other matters the Audit Committee deems appropriate.

The ability of the foregoing contributors to guarantee debt or enter into a special loss allocation and deficit restoration obligation with our operating partnership may enable them to continue to defer any taxable gain attributable to their negative capital accounts in our predecessor. If we were to breach our agreement to make available these opportunities, we would be required to make an indemnification payment to the contributors.

### **MATTERS THAT MAY BE BROUGHT BEFORE THE ANNUAL MEETING**

#### **Item 1. Election of Directors**

##### *Nominees*

In accordance with the provisions of our charter and bylaws, each member of the board of directors is elected at the annual meeting. Each member of the board of directors elected will serve for a term expiring at the annual meeting of stockholders in 2009, and until his successor has been duly elected and qualifies or until his earlier resignation or removal. Messrs. Anthony Fanticola, Hugh W. Horne, Spencer F. Kirk, Joseph D. Margolis, Roger B. Porter, K. Fred Skousen and Kenneth M. Woolley, are the nominees for election to the board of directors.

Each of the nominees has consented to serve if elected. If, before the annual meeting, any of them becomes unable to serve, or chooses not to serve, the board of directors may nominate a substitute. If that happens, the persons named as proxies on the proxy card will vote for the substitute.

Biographical information about each of the nominees is found at the beginning of this proxy statement. See "Information about the Board of Directors and its Committees—Nominees for Directors."

*Recommendation of the Board of Directors:*

*Our board of directors recommends that you vote FOR the election of Messrs. Anthony Fanticola, Hugh W. Horne, Spencer F. Kirk, Joseph D. Margolis, Roger B. Porter, K. Fred Skousen and Kenneth M. **Item 2. Approval of the Amendment and Restatement of the 2004 Long Term Incentive Compensation Plan**

The Board is submitting for stockholder approval the 2004 Long Term Incentive Compensation Plan, as amended and restated effective March 25, 2008 (the "Plan"). The Plan was originally adopted effective August 10, 2004 in connection with our initial public offering to provide equity compensation to the employees, directors and consultants in order to maintain competitive compensation practices and to align the interests of our board, employees and consultants with our stockholders. On March 25, 2008, the board approved and adopted an amendment and restatement of the original plan document, subject to approval by our stockholders.

The Plan as amended and restated provides for the grant of options, restricted stock, phantom shares, dividend equivalent rights, performance awards or other forms of equity-based compensation, which we refer to in this proxy as "awards". Performance awards may be paid in cash or stock.

*Eligibility*

Awards under the Plan may be granted to individuals who are our employees or employees of our subsidiaries, our directors and our consultants. However, options which are intended to qualify as Incentive Stock Options ("ISO"s) may only be granted to employees. During 2008, we estimate that approximately 200 employees will be eligible for grants under the Plan. However, no award may be granted under the Plan to any person who, assuming exercise of all options and payment of all awards held by such person immediately prior to such grant would own or be deemed to own more than 7.0% of the outstanding shares of our common stock or 7.0% of the outstanding shares of our capital stock, unless the restriction was specifically waived by action of the board of directors or a designated committee thereby.

*Shares Subject to the Plan*

The total number of shares subject to awards granted under the plan may not exceed 8,000,000, subject to adjustment for certain corporate events described below. In amending and restating the Plan we did not increase the number of shares available. Rather, this is the number of shares originally set forth in the Plan when it was adopted in 2004. Also, no individual may receive awards for more than 2,000,000 shares (subject to adjustment for the same corporate events) under the Plan in any one year and no individual may receive a cash award payable in any one calendar year of more than \$5,000,000. The share limitations of the Plan shall be adjusted to reflect any stock dividends, stock split, reverse stock split, stock combination, reclassification, recapitalization or other similar change in capital structure. Shares subject to an award that are forfeited are added back into the pool of available shares for grant under the Plan. In addition, shares subject to an award which are used to pay the exercise price or any tax withholding on an award, are added back into the pool of shares available for grant under the Plan.

The Plan is administered by our C/N/G Committee. The C/N/G Committee has the following duties and responsibilities under the Plan:

- administer and interpret the Plan;
- determine the eligibility of an employee, director or consultant to receive an award;
- determine the number of shares to be subject to an award;
- determine the other provisions and conditions of each award;
- prescribe the form of agreements evidencing awards;
- select and establish the performance goals associated with performance awards; and
- certify that the performance goals in fact have been met, prior to payment of any performance award.

*Types of Awards Under the Plan*

The following briefly describes the characteristics of each type of award that may be made under the Plan.

*Dividend Equivalents.* A dividend equivalent is a right to receive (or have credited) the equivalent value (in cash or shares of common stock) of dividends declared on shares of common stock otherwise subject to an award. The C/N/G Committee may provide that amounts payable with respect to dividend equivalents shall be converted into cash or additional shares of common stock. The C/N/G Committee will establish all other limitations and conditions of awards of dividend equivalents as it deems appropriate.

*Options.* Stock options granted under the Plan may be either "non-qualified" or "incentive" stock options. Non-qualified stock options are options not intended to receive favorable tax treatment for participants applicable to incentive stock options under the Internal Revenue Code (the "Code").

There are certain requirements under the Code that apply to incentive stock options. Among such requirements, incentive stock options must (1) have an exercise price per share of stock of not less than 100% of the fair market value on the date of grant, (2) may only be granted to employees, and (3) may not have a term longer than ten years after the date of grant. In the case of an incentive stock option granted to an individual who owns, or is deemed to own, at least 10% of the total combined voting power of all classes of stock of the company, then the exercise price must be at least 110% of the fair market value of the stock underlying the subject options on the date of grant, and the incentive stock option must expire no later than the fifth anniversary of the date of its grant. The exercise price for options, together with any applicable tax required to be withheld, must be paid in full at the time of exercise

- by cash or cash equivalents;
- if approved by the C/N/G Committee, by shares previously owned by the participant valued at fair market value on the date of exercise;
- by a broker assisted cash-less exercise procedure;
- if permitted by law, through a Company loan, or third party sale program, as permitted by the C/N/G Committee;
- by a combination of any of the above methods; or
- any other method approved or accepted by the C/N/G Committee.

The C/N/G Committee will establish at the time of grant the provisions of each stock option, including:

- the exercise price (which cannot be less than fair market value);
- whether it is a non-qualified or incentive stock option;
- the terms and conditions for exercise of the options; and
- the duration of the option, provided no option will be exercisable more than 10 years after the date of grant.

*Performance Awards.* Performance awards give the participant the right to receive an amount either in shares or cash at the end of a specified performance period upon satisfaction of specified performance measures. The performance periods and performance measures are determined by the C/N/G Committee at the time of grant. The performance measures established by the C/N/G Committee shall be based on one or more of the following specific performance goals:

- net earnings (either before or after interest, taxes, depreciation and/or amortization);
- gross or net sales or revenue;
- net income (either before or after taxes);
- operating earnings or profit;
- cash flow (including but not limited to operating cash flow and free cash flow);
- return measures (including, but not limited to, return on assets, capital, invested capital, equity, sales);
- gross or net profit or operating margins;
- costs;
- funds from operations;
- expense;
- working capital;
- earnings per share;
- share price;
- implementation of critical projects; and
- market share.

Any of the above may be measured either in absolute terms, as compared to any incremental increase, as compared to results of comparable companies or as compared to any published or special index that the C/N/G Committee deems appropriate.

The C/N/G Committee may adjust a goal after it is set based to reflect:

- items related to a change in accounting principle;
- items relating to financing activities;
- expenses for restructuring or productivity initiatives;
- other non-operating items;
- items related to acquisitions;

- items attributable to the business operations of any entity acquired by the Company during the performance period;
- items related to the disposal of a business or segment of a business;
- items related to discontinued operations that do not qualify as a segment of a business under United States generally accepted accounting principles ("GAAP");
- items attributable to any stock dividend, stock split, combination or exchange of shares occurring during the performance period;
- any other items of significant income or expense which are determined to be appropriate adjustments;
- items relating to unusual or extraordinary corporate transactions, events or developments;
- items related to amortization of acquired intangible assets;
- items that are outside the scope of the Company's core, on-going business activities; or
- items relating to any other unusual or nonrecurring events or changes in applicable laws, accounting principles or business conditions.

*Phantom Shares* A phantom share represents a right to receive the fair market value of a share of our common stock, or, if provided by the C/N/G Committee, the right to receive the fair market value of a share of our common stock in excess of a base value established by the C/N/G Committee at the time of grant. Except as otherwise provided in the applicable award agreement, the settlement date with respect to a grantee is the first day of the month to follow grantee's termination of service. Phantom shares may generally be settled in cash or by transfer of shares of common stock (as may be elected by the participant or as may be provided by the C/N/G Committee at grant).

*Restricted Stock.* Restricted stock is the grant of shares that are nontransferable and may be subject to substantial risk of forfeiture until specific conditions are met. During the period of restriction, participants holding shares of restricted stock may have full voting and dividend rights with respect to such shares. However, dividends may be deferred and held by the Company until the time the restricted stock vests and is no longer subject to restrictions. The restrictions on the restricted stock will lapse based upon such conditions as determined by the C/N/G Committee at the time of grant, which can be time or performance based, including based on the performance criteria described in Performance Awards above. Restricted stock will fully vest upon termination for death or disability.

*Amendment and Termination.*

Our board of directors may amend the Plan as it deems advisable, except that it may not amend the Plan in any way that would adversely affect a participant with respect to an award previously granted unless the amendment is required in order to comply with applicable laws. In addition, our board of directors may not amend the Plan without stockholder approval if such approval is required by applicable law, rule or regulation. Unless previously terminated by our board of directors, no new award may be granted under the Plan after August 10, 2014.

*Certain Federal Income Tax Consequences.*

The tax consequences of the Plan under current federal law are summarized in the following discussion. This discussion is limited to the general tax principles applicable to the Plan, and is intended for general information only. State and local income taxes are not discussed. Tax laws are complex and subject to change and may vary depending on individual circumstances and from locality to locality. The tax information summarized is not tax advice.

*Nonqualified Stock Options.* For federal income tax purposes, an optionee generally will not recognize taxable income at the time a non-qualified stock option is granted under the Plan. The optionee will recognize ordinary income, and the Company generally will be entitled to a deduction, upon the exercise of a non-qualified stock option. The amount of income recognized (and the amount generally deductible by the Company) generally will be equal to the excess, if any, of the fair market value of the shares at the time of exercise over the aggregate exercise price paid for the shares, regardless of whether the exercise price is paid in cash or in shares or other property. An optionee's basis for the stock for purposes of determining his or her gain or loss upon a subsequent disposition of the shares generally will be the fair market value of the stock on the date of exercise of the non-qualified stock option, and any subsequent gain or loss will generally be taxable as capital gain or loss.

*Incentive Stock Options.* An optionee generally will not recognize taxable income either at the time an incentive stock option is granted or when it is exercised. However, the amount by which the fair market value of the shares at the time of exercise exceeds the exercise price will be an "item of tax preference" to the optionee for purposes of alternative minimum tax. Generally, upon the sale or other taxable disposition of the shares acquired upon exercise of an incentive stock option, the optionee will recognize taxable income. If shares acquired upon the exercise of an incentive stock option are held for the longer of two years from the date of grant or one year from the date of exercise, the gain or loss (in an amount equal to the difference between the fair market value on the date of sale and the exercise price) upon disposition will be treated as a long-term capital gain or loss, and the company will not be entitled to any deduction. If this holding period is not met and the stock is sold for a gain, then the difference between the option price and the fair market value of the stock on the date of exercise will be taxed as ordinary income and any gain over that will be eligible for long or short term capital gain treatment. If the holding period is not met and the shares are disposed of for less than the fair market value on the date of exercise, then the amount of ordinary income is limited to the excess, if any, of the amount realized over the exercise price paid. The Company generally will be entitled to a deduction in the amount of any ordinary income recognized by the optionee.

*Performance Award.* A participant who has been granted a performance award generally will not recognize taxable income at the time of grant, and the Company will not be entitled to a deduction at that time. When an award is paid, whether in cash or shares, the participant generally will recognize ordinary income, and the Company will be entitled to a corresponding deduction.

*Phantom Stock.* No taxable income is generally recognized upon the receipt of phantom stock. Upon payment for the phantom stock, the cash or the fair market value of the shares received generally will be taxable as ordinary income in the year of payment. The Company generally will be entitled to a compensation deduction for the same amount which the recipient recognizes as ordinary income.

*Restricted Stock.* A participant to whom restricted stock is issued generally will not recognize taxable income upon such issuance and the Company generally will not then be entitled to a deduction, unless an election is made by the participant under Section 83(b) of the Code. However, when restrictions on shares of restricted stock lapse, such that the shares are no longer subject to a substantial risk of forfeiture, the participant generally will recognize ordinary income and the Company generally will be entitled to a deduction for an amount equal to the excess of the fair market value of the shares at the date such restrictions lapse over the purchase price thereof. If an election is made under Section 83(b) of the Code, then the participant generally will recognize ordinary income at the date of issuance of the shares equal to the excess, if any, of the fair market value of the shares at that date over the purchase price therefore and the Company will be entitled to a deduction for the same amount.

Section 162(m)

Under Code Section 162(m), in general, income tax deductions of publicly-traded companies may be limited to the extent total compensation (including base salary, annual bonus, stock option exercises) for certain executive officers exceeds \$1 million in any one taxable year. However, under Code Section 162(m), the deduction limit does not apply to certain "performance-based" compensation established by an independent compensation committee which conforms to certain restrictive conditions stated under the Code and related regulations. The Plan has been structured with the intent that awards granted under the Plan may meet the requirements for "performance-based" compensation and Code Section 162(m). To the extent granted at an exercise price not less than the value of our common stock, options and phantom shares granted under the Plan are intended to qualify as "performance-based" under Section 162(m) of the Code. Restricted stock and performance awards under the Plan may qualify as "performance-based" under Code Section 162(m) if they vest or become payable based solely upon attainment of preestablished goals based on the performance criteria listed above.

### Item 3. Ratification of Appointment of Independent Registered Public Accounting Firm

Our Audit Committee of the board of directors has appointed the firm of Ernst & Young LLP to serve as our independent registered public accounting firm for the year ending December 31, 2008. Ernst & Young LLP has acted as the Company's independent registered public accounting firm since April 2005, and our management considers the firm to be well qualified.

We have been advised by Ernst & Young LLP that it is a registered public accounting firm with the Public Company Accounting Oversight Board (the "PCAOB") and complies with the auditing, quality control and independence standards and rules of the PCAOB and the SEC.

Our charter and bylaws do not require that stockholders ratify the appointment of the independent registered public accounting firm. We are submitting the appointment for ratification because the board of directors believes it is a matter of good corporate practice. If our stockholders do not ratify the appointment, the Audit Committee will reconsider whether or not to retain Ernst & Young LLP, but may still retain them.

A representative of Ernst & Young LLP is expected to be present at the annual meeting with the opportunity to make a statement if the representative desires to do so, and is expected to be available to respond to appropriate questions.

The Audit Committee annually considers and, if appropriate, approves the provision of audit services by the independent registered public accounting firm. In addition, the Audit Committee periodically considers and, if appropriate, approves the provision of any additional audit and non-audit services by our independent registered public accounting firm that are neither encompassed by the Audit Committee's annual pre-approval nor prohibited by applicable rules and regulations of the SEC. The Audit Committee has delegated to the chairman of the Audit Committee, Mr. Skousen, the authority to pre-approve, on a case-by-case basis, any such additional audit and non-audit services to be performed by our independent registered public accounting firm. Mr. Skousen reports any decision to pre-approve such services to the Audit Committee at its next regular meeting. ### **STOCKHOLDER PROPOSALS FOR 2009 ANNUAL MEETING**

Under SEC rules, proposals from our eligible stockholders must be received by us no later than December 17, 2008, in order to be considered for inclusion in the proxy statement for the 2009 annual meeting of stockholders. Any such proposals, as well as any questions relating thereto, should be

directed to the Corporate Secretary of the Company at the Company's principal executive offices. Proposals we receive after December 17, 2008 will not be included in the proxy statement for the 2009 annual meeting.

In addition, under our bylaws, and as SEC rules permit, stockholders must follow certain procedures to nominate a person for election as a director at an annual or special meeting, or to introduce an item of business at an annual meeting. A stockholder must notify the Corporate Secretary of the Company in writing of the director nominee or the other business. The notice must include the required information and be delivered to the Corporate Secretary at the principal executive offices of the Company not earlier than the 150th day and not later than 5:00 p.m., Mountain Daylight Time, on the 120th day prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting. Proposals we receive which do not comply with the procedures set forth in our bylaws will not be acted upon at the 2009 annual meeting.

If the date of the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the date of the preceding year's annual meeting, notice by the stockholder must be delivered as described above not earlier than the 150th day prior to the date of mailing of the notice for such annual meeting and not later than 5:00 p.m., Mountain Daylight Time, on the later of the 120th day prior to the date of such annual meeting or the 10th day following the day on which disclosure of the date of such meeting is first made. The public announcement of a postponement or adjournment of an annual meeting does not change or create a new opportunity for notice as described above.

The stockholder's notice shall set forth the following, as applicable:

- (1) as to each individual whom the stockholder proposes to nominate for election or reelection as a director, (a) the name, age, business address and residence address of such individual, (b) the class, series and number of any shares of our stock that are beneficially owned by such individual, (c) the date such shares were acquired and the investment intent of such acquisition, and (d) all other information relating to such individual that is required to be disclosed in solicitations of proxies for election of directors in an election contest (even if an election contest is not involved), or is otherwise required, in each case pursuant to Regulation 14A (or any successor provision) under the Securities Exchange Act of 1934 and the rules thereunder (including such individual's written consent to being named in the proxy statement as a nominee and to serving as a director if elected);
- (2) as to any other business that the stockholder proposes to bring before the meeting, a description of such business, the reasons for proposing such business at the meeting and any material interest in such business of such stockholder and any Stockholder Associated Person (as defined below) individually or in the aggregate (including any anticipated benefit to the stockholder and the Stockholder Associated Person therefrom);
- (3) as to the stockholder giving the notice and any Stockholder Associated Person, the class, series and number of all shares of stock of the Company which are owned by such stockholder and by such Stockholder Associated Person, if any, and the nominee holder for, and number of, shares owned beneficially but not of record by such stockholder and by any such Stockholder Associated Person;
- (4) as to the stockholder giving the notice and any Stockholder Associated Person covered by clauses (2) or (3) above, the name and address of such stockholder, as they appear on the Company's stock ledger and current name and address, if different, of such Stockholder Associated Person; and

"Stockholder Associated Person" of any stockholder means (1) any person controlling, directly or indirectly, or acting in concert with, such stockholder, (2) any beneficial owner of shares of stock of the Company owned of record or beneficially by such stockholder and (3) any person controlling, controlled by or under common control with such Stockholder Associated Person.

#### OTHER MATTERS

Our board of directors and management know of no other matters or business to be presented for consideration at the annual meeting. If, however, any other matters properly come before the annual meeting or any adjournment(s) or postponement(s) thereof, it is the intention of the persons named in the enclosed proxy to vote such proxy in accordance with their discretion on any such matters. The persons named in the enclosed proxy may also, if they deem it advisable, vote such proxy to adjourn the annual meeting from time to time.

The rules promulgated by the SEC permit companies, brokers, banks or other intermediaries to deliver a single copy of a proxy statement and annual report to households at which two or more stockholders reside. This practice, known as "householding," is designed to reduce duplicate mailings and save significant printing and postage costs as well as natural resources. Stockholders sharing an address who have been previously notified by their broker, bank or other intermediary and have consented to householding will receive only one copy of our proxy statement and annual report. If you would like to opt out of this practice for future mailings and receive separate proxy statements and annual reports for each stockholder sharing the same address, please contact your broker, bank or other intermediary. You may also obtain a separate proxy statement or annual report without charge by sending a written request to Extra Space Storage Inc., 2795 East Cottonwood Parkway, Suite 400, Salt Lake City, UT 84121, Attention: Secretary, or by telephone at (801) 562-5556. We will promptly send additional copies of the proxy statement or annual report upon receipt of such request. Stockholders sharing an address that are receiving multiple copies of the proxy statement or annual report can request delivery of a single copy of the proxy statement or annual report by contacting their broker, bank or other intermediary or sending a written request to Extra Space Storage Inc. at the address above.

#### **4. SHARES AND UNITS SUBJECT TO THE PLAN.**

##### *4.1 In General.*

(a) Subject to Section 4.2, and subject to adjustments as provided in Section 14, the total number of Shares subject to Options or other equity-based Awards granted under the Plan, Shares of Restricted Stock and Phantom Shares granted under the Plan, in the aggregate, may not exceed 8,000,000. Shares distributed under the Plan may be treasury Shares or authorized but unissued Shares. Any Shares that have been granted as Restricted Stock or that have been reserved for distribution in payment for Options, Phantom Shares or other equity-based Awards under Section 9 but are later forfeited or for any other reason are not payable under the Plan may again be made the subject of Awards under the Plan. Any Shares tendered or withheld to satisfy the grant or exercise price or tax withholding obligation pursuant to any Award shall again be available for the grant of an Award under the Plan.

(b) Shares subject to Dividend Equivalent Rights, other than Dividend Equivalent Rights based directly on the dividends payable with respect to Shares subject to Options or the dividends payable on a number of Shares corresponding to the number of Phantom Shares awarded, shall be subject to the limitation of Section 4.1(a). If any Phantom Shares, Dividend Equivalent Rights or other equity-based Awards under Section 9 are paid out in cash, then, notwithstanding the first sentence of Section 4.1(a) above, the underlying Shares may again be made the subject of Awards under the Plan.

(c) The certificates for Shares issued hereunder may include any legend which the Committee deems appropriate to reflect any restrictions on transfer hereunder or under the Award Agreement, or as the Committee may otherwise deem appropriate.

##### *4.2 Limitation on Awards.*

Subject to adjustments pursuant to Section 14, and subject to the last sentence of Section 4.1(a), Incentive Stock Options with respect to an aggregate of no more than 8,000,000 Shares may be granted under the Plan. Subject to adjustments pursuant to Section 14, in no event may any Optionee or Grantee receive Awards for more than 2,000,000 Shares in any one year and the maximum aggregate amount of cash that may be paid during any calendar year with respect to one or more Performance Awards payable in cash shall be \$5,000,000. The aggregate Fair Market Value, determined as of the date an Option is granted, of the Common Stock for which any Optionee may be awarded Incentive Stock Options which are first exercisable by the Optionee during any calendar year under the Plan (or any other stock option plan required to be taken into account under Section 422(d) of the Code) shall not exceed \$100,000.

##### *4.3 Participation Limitation.*

(a) **Limitation of Ownership.** No Award shall be issued under the Plan to any person who after such Award would Beneficially or Constructively Own Capital Stock of the Company in excess of the Common Stock Ownership Limit or the Capital Stock Ownership Limit, unless the foregoing restriction is expressly and specifically waived by action of the independent Directors of the Board; provided, however, that an Excepted Holder would be permitted to Beneficially or Constructively Own Shares in excess of such limits provided that such Shares are not in excess of the Excepted Holder Ownership Limit for such Excepted Holder.

(b) No award shall be issued under the Plan to any person who after such Award would Beneficially or Constructively Own Shares in the Company that would result in the Company being

"closely held" within the meaning of Section 856(h) of the Code, or otherwise failing to qualify as a REIT (including but not limited to ownership that would result in the Company owning (actually or Constructively) an interest in a tenant that is described in Section 856(d)(2)(B) of the Code if the income derived by the Company (either directly or indirectly through its Subsidiaries) from such tenant would cause the Company to fail to satisfy any of the gross income requirements of Section 856(c) of the Code).

## 5. PROVISIONS APPLICABLE TO STOCK OPTIONS.

### 5.1 *Grant of Option.*

Subject to the other terms of the Plan, the Committee shall, in its discretion as reflected by the terms of the applicable Award Agreement: (i) determine and designate from time to time those employees, Directors and consultants of the Company and its Subsidiaries to whom Options are to be granted and the number of Shares to be optioned to each employee, Director and consultant; (ii) determine whether to grant Options intended to be Incentive Stock Options, or to grant Non-Qualified Stock Options, or both (to the extent that any Option does not qualify as an Incentive Stock Option, it shall constitute a separate Non-Qualified Stock Option); provided that Incentive Stock Options may only be granted to employees of the Company or a "subsidiary" of the Company (as defined below); (iii) determine the time or times when and the manner and condition in which each Option shall be exercisable and the duration of the exercise period; (iv) designate each Option as one intended to be an Incentive Stock Option or as a Non-Qualified Stock Option; and (v) determine or impose other conditions to the grant or exercise of Options under the Plan as it may deem appropriate. For purposes of Section 5.1(ii), the term "subsidiary" shall mean, any corporation (other than the Company) that is a "subsidiary corporation" with respect to the Company under Section 424(f) of the Code. In the event the Company becomes a subsidiary of another company, the provisions hereof applicable to subsidiaries shall, unless otherwise determined by the Committee, also be applicable to any company that is a "parent corporation" with respect to the Company under Section 424(e) of the Code.

### 5.2 *Option Price.*

The Option Price shall be determined by the Committee on the date the Option is granted and reflected in the Award Agreement, as the same may be amended from time to time, but shall not be less than Fair Market Value on the date of grant. Any particular Award Agreement may provide for different Option Prices for specified amounts of Shares subject to the Option. The Option Price with respect to each Incentive Stock Option, or other Option intended to qualify for relief from the restrictions of Section 162(m) of the Code, shall not be less than 100% (or, for Incentive Stock Options, 110%, in the case of an individual described in Section 422(b)(6) of the Code (relating to certain 10% owners)) of the Fair Market Value of a Share on the day the Option is granted.

### 5.3 *Period of Option and Vesting.*

(a) Unless earlier expired, forfeited or otherwise terminated, each Option shall expire in its entirety upon the 10<sup>th</sup> anniversary of the date of grant or shall have such other term (which may be shorter, but not longer, in the case of Incentive Stock Options) as is set forth in the applicable Award Agreement (except that, in the case of an individual described in Section 422(b)(6) of the Code (relating to certain 10% owners) who is granted an Incentive Stock Option, the term of such Option shall be no more than five years from the date of grant). The Option shall also expire, be forfeited and terminate at such times and in such circumstances as otherwise provided hereunder or under the Award Agreement.

(b) Each Option, to the extent that the Optionee has not had a Termination of Service and the Option has not otherwise lapsed, expired, terminated or been forfeited, shall first become exercisable

according to the terms and conditions set forth in the Award Agreement, as determined by the Committee at the time of grant. Upon and after the death of an Optionee, such Optionee's Options, if and to the extent otherwise exercisable hereunder or under the applicable Award Agreement after the Optionee's death, may be exercised by the Successors of the Optionee.

#### 5.4 *Exercisability Upon and After Termination of Optionee.*

(a) Subject to provisions of the Award Agreement, in the event the Optionee has a Termination of Service other than by the Company or its Subsidiaries for Cause, other than by the Optionee for any reason, or other than by reason of death, Retirement or Disability, no exercise of an Option may occur after the expiration of the three-month period to follow the termination, or if earlier, the expiration of the term of the Option as provided under Section 5.3(a); provided that, if the Optionee should die after the Termination of Service, but while the Option is still in effect, the Option (if and to the extent otherwise exercisable by the Optionee at the time of death) may be exercised until the earlier of (i) one year from the date of the Termination of Service of the Optionee, or (ii) the date on which the term of the Option expires in accordance with Section 5.3(a).

(b) Subject to provisions of the Award Agreement, in the event the Optionee has a Termination of Service on account of death, Disability or Retirement, the Option may be exercised until the earlier of (i) one year from the date of the Termination of Service of the Optionee, or (ii) the date on which the term of the Option expires in accordance with Section 5.3.

(c) Notwithstanding any other provision hereof, unless otherwise provided in the Award Agreement, if (i) the Optionee has a Termination of Service by the Company for Cause or (ii) the Optionee terminates employment with the Company and its Subsidiaries for any reason (other than on account of death, Retirement or Disability) the Optionee's Options, to the extent then unexercised, shall thereupon cease to be exercisable and shall be forfeited forthwith.

#### 5.5 *Exercise of Options.*

(a) Subject to vesting, restrictions on exercisability and other restrictions provided for hereunder or otherwise imposed in accordance herewith, an Option may be exercised, and payment in full of the aggregate Option Price made, by an Optionee only by written notice (in the form prescribed by the Committee) to the Company specifying the number of Shares to be purchased.

(b) Without limiting the scope of the Committee's discretion hereunder, the Committee may impose such other restrictions on the exercise of Incentive Stock Options (whether or not in the nature of the foregoing restrictions) as it may deem necessary or appropriate.

(c) If Shares acquired upon exercise of an Incentive Stock Option are disposed of in a disqualifying disposition within the meaning of Section 422 of the Code by an Optionee prior to the expiration of either two years from the date of grant of such Option or one year from the transfer of Shares to the Optionee pursuant to the exercise of such Option, or in any other disqualifying disposition within the meaning of Section 422 of the Code, such Optionee shall notify the Company in writing as soon as practicable thereafter of the date and terms of such disposition and, if the Company (or any affiliate thereof) thereupon has a tax-withholding obligation, shall pay to the Company (or such affiliate) an amount equal to any withholding tax the Company (or affiliate) is required to pay as a result of the disqualifying disposition.

#### 5.6 *Payment.*

(a) The aggregate Option Price shall be paid in full upon the exercise of the Option. Payment must be made by one of the following methods:

- (i) a certified or bank cashier's check;

(ii) other than as prohibited under Section 13(k) of the Exchange Act, the proceeds of a Company loan program or third-party sale program or a notice acceptable to the Committee given as consideration under such a program, in each case if permitted by the Committee in its discretion, if such a program has been established and the Optionee is eligible to participate therein;

(iii) if approved by the Committee in its discretion, Shares of previously owned Common Stock, which have been previously owned for more than six months, having an aggregate Fair Market Value on the date of exercise equal to the aggregate Option Price;

(iv) other than as prohibited under Section 13(k) of the Exchange Act, if approved by the Committee in its discretion, through the written election of the Optionee to have Shares withheld by the Company from the Shares otherwise to be received, with such withheld Shares having an aggregate Fair Market Value on the date of exercise equal to the aggregate Option Price; or

(v) by any combination of such methods of payment or any other method acceptable to the Committee in its discretion.

(b) Except in the case of Options exercised by certified or bank cashier's check, the Committee may impose limitations and prohibitions on the exercise of Options as it deems appropriate, including, without limitation, any limitation or prohibition designed to avoid accounting consequences which may result from the use of Common Stock as payment upon exercise of an Option.

(c) The Committee shall provide in the Award Agreement the extent (if any) to which an Option may be exercised with respect to any fractional Share, including whether any fractional Shares resulting from an Optionee's exercise may be paid in cash.

#### 5.7 *Stock Appreciation Rights.*

The Committee, in its discretion, may also permit the Optionee to elect to exercise an Option by receiving a combination of Shares and cash, or, in the discretion of the Committee, either Shares or cash, with an aggregate Fair Market Value (or, to the extent of payment in cash, in an amount) equal to the excess of the Fair Market Value of the Shares with respect to which the Option is being exercised over the aggregate Option Price, as determined as of the day the Option is exercised.

#### 5.8 *Exercise by Successors.*

An Option may be exercised, and payment in full of the aggregate Option Price made, by the Successors of the Optionee only by written notice (as may be prescribed by the Committee) to the Company specifying the number of Shares to be purchased. Such notice shall state that the aggregate Option Price will be paid in full, or that the Option will be exercised as otherwise provided hereunder, in the discretion of the Company or the Committee, if and as applicable.

#### 5.9 *Nontransferability of Option.*

Except if otherwise provided in the applicable Award Agreement, each Option granted under the Plan shall be nontransferable by the Optionee except by will or the laws of descent and distribution of the state wherein the Optionee is domiciled at the time of his death; provided, however, that the Committee may (but need not) permit other transfers, where the Committee concludes that such transferability (i) does not result in accelerated U.S. federal income taxation, (ii) does not cause any Option intended to be an Incentive Stock Option to fail to be described in Section 422(b) of the Code, (iii) does not violate applicable securities laws, and (iv) is otherwise appropriate and desirable.

#### 5.10 *Deferral.*

The Committee may establish a program under which Participants will have Phantom Shares subject to Section 7 credited upon their exercise of Options, rather than receiving Shares at that time.

## 6. PROVISIONS APPLICABLE TO RESTRICTED STOCK.

### 6.1 *Grant of Restricted Stock.*

(a) In connection with the grant of Restricted Stock, whether or not performance goals (as provided for under Section 10) apply thereto, the Committee shall establish one or more vesting periods with respect to the shares of Restricted Stock granted, the length of which shall be determined in the discretion of the Committee. Subject to the provisions of this Section 6, the applicable Agreement and the other provisions of the Plan, restrictions on Restricted Stock shall lapse if the Grantee satisfies all applicable employment or other service requirements through the end of the applicable vesting period.

(b) Subject to the other terms of the Plan, the Committee may, in its discretion as reflected by the terms of the applicable Award Agreement: (i) authorize the granting of Restricted Stock to employees, Directors and consultants of the Company and its Subsidiaries; (ii) provide a specified purchase price for the Restricted Stock (whether or not the payment of a purchase price is required by any state law applicable to the Company); (iii) determine the restrictions applicable to Restricted Stock and (iv) determine or impose other conditions, including any applicable performance goals, to the grant of Restricted Stock under the Plan as it may deem appropriate.

### 6.2 *Certificates.*

(a) In the discretion of the Committee, each Grantee of Restricted Stock may be issued a stock certificate in respect of Shares of Restricted Stock awarded under the Plan. A "book entry" (by computerized or manual entry) shall be made in the records of the Company to evidence an award of Restricted Stock, where no certificate is issued in the name of the Grantee. Each certificate, if any, shall be registered in the name of the Grantee and may include any legend which the Committee deems appropriate to reflect any restrictions on transfer hereunder or under the Award Agreement, or as the Committee may otherwise deem appropriate, and, without limiting the generality of the foregoing, shall bear a legend referring to the terms, conditions, and restrictions applicable to such Award, substantially in the following form:

THE TRANSFERABILITY OF THIS CERTIFICATE AND THE SHARES OF STOCK REPRESENTED HEREBY ARE SUBJECT TO THE TERMS AND CONDITIONS (INCLUDING FORFEITURE) OF THE EXTRA SPACE STORAGE INC. 2004 LONG TERM INCENTIVE COMPENSATION PLAN AND AN AWARD AGREEMENT ENTERED INTO BETWEEN THE REGISTERED OWNER AND EXTRA SPACE STORAGE INC. COPIES OF SUCH PLAN AND AWARD AGREEMENT ARE ON FILE IN THE OFFICES OF EXTRA SPACE STORAGE INC. AT 2795 EAST COTTONWOOD PARKWAY, SUITE 400, SALT LAKE CITY, UT 84121.

(b) The Committee shall require that any stock certificates evidencing such Shares be held in custody by the Company until the restrictions thereon shall have lapsed, and may in its discretion require that, as a condition of any Restricted Stock award, the Grantee shall have delivered to the Company a stock power, endorsed in blank, relating to the stock covered by such Award. If and when such restrictions so lapse, any stock certificates shall be delivered by the Company to the Grantee or his or her designee.

### 6.3 *Restrictions and Conditions.*

Unless otherwise provided by the Committee, the Shares of Restricted Stock awarded pursuant to the Plan shall be subject to the following restrictions and conditions:

(i) Subject to the provisions of the Plan and the Award Agreements, during a period commencing with the date of such Award and ending on the date the period of forfeiture with respect to such Shares lapses, the Grantee shall not be permitted voluntarily or involuntarily to

sell, transfer, pledge, anticipate, alienate, encumber or assign Shares of Restricted Stock awarded under the Plan (or have such Shares attached or garnished). Subject to the provisions of the Award Agreements and clauses (iii) and (iv) below, the period of forfeiture with respect to Shares granted hereunder shall lapse as provided in the applicable Award Agreement. Notwithstanding the foregoing, unless otherwise expressly provided by the Committee, the period of forfeiture with respect to such Shares shall only lapse as to whole Shares.

(ii) Except as provided in the foregoing clause (i), below in this clause (ii), or in Section 14, the Grantee shall have, in respect of the Shares of Restricted Stock, all of the rights of a shareholder of the Company, including the right to vote the Shares, and, except as provided below, the right to receive any cash dividends. The Committee may provide in the Award Agreement that cash dividends on such Shares shall be held by the Company (unsegregated as a part of its general assets) until the period of forfeiture lapses (and forfeited if the underlying Shares are forfeited), and paid over to the Grantee as soon as practicable after such period lapses (if not forfeited), or alternatively may provide for other treatment of such dividends (including without limitation the crediting of Phantom Shares in respect of dividends or other deferral provisions). Certificates for Shares (not subject to restrictions hereunder) shall be delivered to the Grantee or his or her designee promptly after, and only after, the period of forfeiture shall lapse without forfeiture in respect of such Shares of Restricted Stock.

(iii) Termination of Service, Except by Death, or Disability. Unless otherwise provided in the applicable Award Agreement, and subject to clause (iv) below, if the Grantee has a Termination of Service for Cause or by the Grantee for any reason other than his or her death or Disability, during the applicable period of forfeiture, then (A) all Restricted Stock still subject to restriction shall thereupon, and with no further action, be forfeited by the Grantee, and (B) the Company shall pay to the Grantee as soon as practicable (and in no event more than 30 days) after such termination an amount equal to the lesser of (x) the amount paid by the Grantee for such forfeited Restricted Stock as contemplated by Section 6.1, and (y) the Fair Market Value on the date of termination of the forfeited Restricted Stock.

(iv) Death or Disability of Grantee. Unless otherwise provided in the applicable Award Agreement, in the event the Grantee has a Termination of Service on account of his or her death or Disability, or the Grantee has a Termination of Service by the Company for any reason other than Cause, during the applicable period of forfeiture, then restrictions under the Plan will immediately lapse on all Restricted Stock granted to the applicable Grantee.

## **7. PROVISIONS APPLICABLE TO PHANTOM SHARES.**

### *7.1 Grant of Phantom Shares.*

Subject to the other terms of the Plan, the Committee shall, in its discretion as reflected by the terms of the applicable Award Agreement: (i) authorize the granting of Phantom Shares to employees, Directors and consultants of the Company and its Subsidiaries and (ii) determine or impose other conditions to the grant of Phantom Shares under the Plan as it may deem appropriate.

### *7.2 Term.*

The Committee may provide in an Award Agreement that any particular Phantom Share shall expire at the end of a specified term.

### *7.3 Vesting.*

Phantom Shares shall vest as provided in the applicable Award Agreement.

#### 7.4 *Settlement of Phantom Shares.*

(a) Each vested and outstanding Phantom Share shall be settled by the transfer to the Grantee of one Share; provided that, the Committee at the time of grant may provide that a Phantom Share may be settled (i) in cash at the applicable Phantom Share Value, (ii) in cash or by transfer of Shares as elected by the Grantee in accordance with procedures established by the Committee or (iii) in cash or by transfer of Shares as elected by the Company.

(b) Each Phantom Share shall be settled with a single-sum payment or distribution by the Company.

(c) Unless otherwise provided in the applicable Award Agreement, the Settlement Date with respect to a Grantee is the first day of the month to follow the Grantee's Termination of Service. Notwithstanding the foregoing, the Settlement Date, if not earlier pursuant to this Section 7.4(c), is the date of the Grantee's death.

(d) Notwithstanding the other provisions of this Section 7, in the event of a Change in Control, the Settlement Date shall be the date of such Change in Control and all amounts due with respect to Phantom Shares to a Grantee hereunder shall be paid as soon as practicable (but in no event more than 30 days) after such Change in Control.

#### 7.5 *Other Phantom Share Provisions.*

(a) Rights to payments with respect to Phantom Shares granted under the Plan shall not be subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance, attachment, garnishment, levy, execution, or other legal or equitable process, either voluntary or involuntary; and any attempt to anticipate, alienate, sell, transfer, assign, pledge, encumber, attach or garnish, or levy or execute on any right to benefits payable hereunder, shall be void.

(b) A Grantee may designate in writing, on forms to be prescribed by the Committee, a beneficiary or beneficiaries to receive any payments payable after his or her death and may amend or revoke such designation at any time. If no beneficiary designation is in effect at the time of a Grantee's death, payments hereunder shall be made to the Grantee's estate. If a Grantee with a vested Phantom Share dies, such Phantom Share shall be settled and the Phantom Share Value in respect of such Phantom Shares paid, and any payments deferred pursuant to an election under Section 7.4(c) shall be accelerated and paid, as soon as practicable (but no later than 60 days) after the date of death to such Grantee's beneficiary or estate, as applicable.

(c) Phantom Shares are solely a device for the measurement and determination of the amounts to be paid to a Grantee under the Plan. Each Grantee's right in the Phantom Shares is limited to the right to receive payment, if any, as may herein be provided. The Phantom Shares do not constitute Common Stock and shall not be treated as (or as giving rise to) property or as a trust fund of any kind; provided, however, that the Company may establish a mere bookkeeping reserve to meet its obligations hereunder or a trust or other funding vehicle that would not cause the Plan to be deemed to be funded for tax purposes or for purposes of Title I of the Employee Retirement Income Security Act of 1974, as amended. The right of any Grantee of Phantom Shares to receive payments by virtue of participation in the Plan shall be no greater than the right of any unsecured general creditor of the Company.

(d) Notwithstanding any other provision of this Section 7, any fractional Phantom Share will be paid out in cash at the Phantom Share Value as of the Settlement Date.

(e) Nothing contained in the Plan shall be construed to give any Grantee any rights with respect to Shares or any ownership interest in the Company. Except as may be provided in accordance with Section 8, no provision of the Plan shall be interpreted to confer upon any Grantee any voting, dividend or derivative or other similar rights with respect to any Phantom Share.

## **8. PROVISIONS APPLICABLE TO DIVIDEND EQUIVALENT RIGHTS.**

### *8.1 Grant of Dividend Equivalent Rights.*

Subject to the other terms of the Plan, the Committee shall, in its discretion as reflected by the terms of the Award Agreements, authorize the granting of Dividend Equivalent Rights to employees, Directors and consultants of the Company and its Subsidiaries based on the regular cash dividends declared on Common Stock, to be credited as of the dividend payment dates, during the period between the date an Award is granted, and the date such Award is exercised, vests or expires, as determined by the Committee. Such Dividend Equivalent Rights shall be converted to cash or additional Shares by such formula and at such time and subject to such limitation as may be determined by the Committee. With respect to Dividend Equivalent Rights granted with respect to Options intended to be qualified performance-based compensation for purposes of Section 162(m) of the Code, such Dividend Equivalent Rights shall be payable regardless of whether such Option is exercised. If a Dividend Equivalent right is granted in respect of another Award hereunder, then, unless otherwise stated in the Award Agreement, in no event shall the Dividend Equivalent Right be in effect for a period beyond the time during which the applicable portion of the underlying Award is in effect.

### *8.2 Certain Terms.*

(a) The term of a Dividend Equivalent Right shall be set by the Committee in its discretion.

(b) Unless otherwise determined by the Committee, except as contemplated by Section 8.4, a Dividend Equivalent Right is exercisable or payable only while the Participant is an employee, Director or consultant.

(c) Payment of the amount determined in accordance with Section 8.1 shall be in cash, in Common Stock or a combination of both, as determined by the Committee.

(d) The Committee may impose such employment-related conditions on the grant of a Dividend Equivalent Right as it deems appropriate in its discretion.

### *8.3 Other Types of Dividend Equivalent Rights.*

The Committee may establish a program under which Dividend Equivalent Rights of a type not described in the foregoing provisions of this Section 8 may be granted to Participants. For example, and without limitation, the Committee may grant a dividend equivalent right in respect of each Share subject to an Option or with respect to a Phantom Share, which right would consist of the right (subject to Section 8.4) to receive a cash payment in an amount equal to the dividend distributions paid on a Share from time to time.

### *8.4 Deferral.*

(a) The Committee may establish a program under which Participants (i) will have Phantom Shares credited, subject to the terms of Sections 7.4 and 7.5 as though directly applicable with respect thereto, upon the granting of Dividend Equivalent Rights, or (ii) will have payments with respect to Dividend Equivalent Rights deferred.

(b) The Committee may establish a program under which distributions with respect to Dividend Equivalent Rights may be deferred. Such program may include, without limitation, provisions for the crediting of earnings and losses on unpaid amounts, and, if permitted by the Committee, provisions under which Participants may select from among hypothetical investment alternatives for such deferred amounts in accordance with procedures established by the Committee.

## **9. OTHER EQUITY-BASED AWARDS.**

The Board shall have the right to grant other Awards having such terms and conditions as the Board may determine, including the grant of shares of Capital Stock based upon certain conditions, the grant of Partnership Units based upon certain conditions and the grant of stock appreciation rights.

## **10. PERFORMANCE AWARDS.**

### *10.1 Grant of Performance Awards.*

The Committee is authorized to grant Performance Awards to any employee and to determine whether such Performance Awards shall be Performance-Based Compensation. The value of Performance Awards may be linked to any one or more of the Performance Criteria or other specific criteria determined by the Committee, in each case on a specified date or dates or over any period or periods determined by the Committee. In making such determinations, the Committee shall consider (among such other factors as it deems relevant in light of the specific type of award) the contributions, responsibilities and other compensation of the particular Grantee. Performance Awards may be paid in cash, Shares, or both, as determined by the Committee.

### *10.2 Cash Bonuses.*

Without limiting Section 10.1, the Committee may grant Performance Awards in the form of a cash bonus payable upon the attainment of objective Performance Goals, or such other criteria, whether or not objective, which are established by the Committee, in each case on a specified date or dates or over any period or periods determined by the Committee. Any such bonuses paid to a Grantee which are intended to be Performance-Based Compensation shall be based upon objectively determinable bonus formulas established in accordance with the provisions of Article 5 and shall be subject to the limitations under Section 4.2.

### *10.3 Performance Based Compensation.*

(a) The Committee, in its discretion, may determine whether an Award is to qualify as Performance-Based Compensation. If the Committee, in its discretion, decides to grant an Award that is intended to qualify as Performance-Based Compensation, then the provisions of this Section 10.3 shall control over any contrary provision contained in the Plan. The Administrator may in its discretion grant Awards that are based on Performance Criteria or Performance Goals but that do not satisfy the requirements of this Section 10.3 and that are not intended to qualify as Performance-Based Compensation. Unless otherwise specified by the Committee at the time of grant, the Performance Criteria with respect to an Award intended to be Performance-Based Compensation shall be determined on the basis of GAAP.

(b) Notwithstanding anything in the Plan to the contrary, the Committee may grant any Award intended to qualify as Performance-Based Compensation, including, without limitation, Restricted Stock the restrictions with respect to which lapse upon the attainment of specified Performance Goals and any performance or incentive Awards described in Section 10 that vest or becomes exercisable or payable upon the attainment of one or more specified Performance Goals.

(c) To the extent necessary to comply with the requirements of Section 162(m)(4)(C) of the Code, with respect to any Award which is intended to qualify as Performance-Based Compensation, no later than 90 days following the commencement of any Performance Period or any designated fiscal period or period of service (or such earlier time as may be required under Section 162(m) of the Code), the Committee shall, in writing, (i) designate one or more Grantees, (ii) select the Performance Criteria applicable to the Performance Period, (iii) establish the Performance Goals, and amounts of such Awards, as applicable, which may be earned for such Performance Period based on the Performance Criteria, and (iv) specify the relationship between Performance Criteria and the Performance Goals and

the amounts of such Awards, as applicable, to be earned by each Grantee for such Performance Period. Following the completion of each Performance Period, the Committee shall certify in writing whether and the extent to which the applicable Performance Goals have been achieved for such Performance Period. In determining the amount earned under such Awards, the Committee shall have the right to reduce or eliminate (but not to increase) the amount payable at a given level of performance to take into account additional factors that the Committee may deem relevant to the assessment of individual or corporate performance for the Performance Period.

(d) Unless otherwise provided in the applicable Award and only to the extent otherwise permitted by Section 162(m)(4)(C) of the Code, as to an Award that is intended to qualify as Performance-Based Compensation, the Grantee must be employed by the Company or a Subsidiary throughout the Performance Period. Furthermore, a Grantee shall be eligible to receive payment pursuant to such Awards for a Performance Period only if and to the extent the Performance Goals for such period are achieved.

(e) Notwithstanding any other provision of the Plan, any Award which is intended to qualify as Performance-Based Compensation shall be subject to any additional limitations set forth in Section 162(m) of the Code or any regulations or rulings issued thereunder that are requirements for qualification as Performance-Based Compensation, and the Plan and the Award Agreement shall be deemed amended to the extent necessary to conform to such requirements.

## **11. TAX WITHHOLDING.**

### *11.1 In General.*

The Company shall be entitled to withhold from any payments or deemed payments any amount of tax withholding determined by the Committee to be required by law. Without limiting the generality of the foregoing, the Committee may, in its discretion, require the Participant to pay to the Company at such time as the Committee determines the amount that the Committee deems necessary to satisfy the Company's obligation to withhold federal, state or local income or other taxes incurred by reason of (i) the exercise of any Option, (ii) the lapsing of any restrictions applicable to any Restricted Stock, (iii) the receipt of a distribution in respect of Phantom Shares or Dividend Equivalent Rights or (iv) any other applicable income-recognition event (for example, an election under Section 83(b) of the Code).

### *11.2 Share Withholding.*

(a) Upon exercise of an Option, the Optionee may, if approved by the Committee in its discretion, make a written election to have Shares then issued withheld by the Company from the Shares otherwise to be received, or to deliver previously owned Shares, in order to satisfy the liability for such withholding taxes. In the event that the Optionee makes, and the Committee permits, such an election, the number of Shares so withheld or delivered shall have an aggregate Fair Market Value on the date of exercise sufficient to satisfy the minimum required applicable withholdings. Where the exercise of an Option does not give rise to an obligation by the Company to withhold federal, state or local income or other taxes on the date of exercise, but may give rise to such an obligation in the future, the Committee may, in its discretion, make such arrangements and impose such requirements as it deems necessary or appropriate.

(b) Upon lapsing of restrictions on Restricted Stock (or other income-recognition event), the Grantee may, if approved by the Committee in its discretion, make a written election to have Shares withheld by the Company from the Shares otherwise to be released from restriction, or to deliver previously owned Shares (not subject to restrictions hereunder), in order to satisfy the liability for such withholding taxes. In the event that the Grantee makes, and the Committee permits, such an election,

the number of Shares so withheld or delivered shall have an aggregate Fair Market Value on the date of exercise sufficient to satisfy the minimum required applicable withholdings.

(c) Upon the making of a distribution in respect of Phantom Shares or Dividend Equivalent Rights, the Grantee may, if approved by the Committee in its discretion, make a written election to have amounts (which may include Shares) withheld by the Company from the distribution otherwise to be made, or to deliver previously owned Shares (not subject to restrictions hereunder), in order to satisfy the liability for such withholding taxes. In the event that the Grantee makes, and the Committee permits, such an election, any Shares so withheld or delivered shall have an aggregate Fair Market Value on the date of exercise sufficient to satisfy the minimum required applicable withholdings.

### 11.3 *Withholding Required.*

Notwithstanding anything contained in the Plan or the Award Agreement to the contrary, the Participant's satisfaction of any tax-withholding requirements imposed by the Committee shall be a condition precedent to the Company's obligation as may otherwise be provided hereunder to provide Shares to the Participant and to the release of any restrictions as may otherwise be provided hereunder, as applicable; and the applicable Option, Restricted Stock, Phantom Shares or Dividend Equivalent Rights shall be forfeited upon the failure of the Participant to satisfy such requirements with respect to, as applicable, (i) the exercise of the Option, (ii) the lapsing of restrictions on the Restricted Stock (or other income-recognition event) or (iii) distributions in respect of any Phantom Share or Dividend Equivalent Right.

## 12. REGULATIONS AND APPROVALS.

(a) The obligation of the Company to sell Shares with respect to an Award granted under the Plan shall be subject to all applicable laws, rules and regulations, including all applicable federal and state securities laws, and the obtaining of all such approvals by governmental agencies as may be deemed necessary or appropriate by the Committee.

(b) The Committee may make such changes to the Plan as may be necessary or appropriate to comply with the rules and regulations of any government authority or to obtain tax benefits applicable to an Award.

(c) Each grant of Options, Restricted Stock, Phantom Shares (or issuance of Shares in respect thereof) or Dividend Equivalent Rights (or issuance of Shares in respect thereof), or other Award under Section 9 (or issuance of Shares in respect thereof), is subject to the requirement that, if at any time the Committee determines, in its discretion, that the listing, registration or qualification of Shares issuable pursuant to the Plan is required by any securities exchange or under any state or federal law, or the consent or approval of any governmental regulatory body is necessary or desirable as a condition of, or in connection with, the issuance of Options, Shares of Restricted Stock, Phantom Shares, Dividend Equivalent Rights, other Awards or other Shares, no payment shall be made, or Phantom Shares or Shares issued or grant of Restricted Stock or other Award made, in whole or in part, unless listing, registration, qualification, consent or approval has been effected or obtained free of any conditions in a manner acceptable to the Committee.

(d) In the event that the disposition of stock acquired pursuant to the Plan is not covered by a then current registration statement under the Securities Act, and is not otherwise exempt from such registration, such Shares shall be restricted against transfer to the extent required under the Securities Act, and the Committee may require any individual receiving Shares pursuant to the Plan, as a condition precedent to receipt of such Shares, to represent to the Company in writing that such Shares are acquired for investment only and not with a view to distribution and that such Shares will be disposed of only if registered for sale under the Securities Act or if there is an available exemption for such disposition.

(e) Notwithstanding any other provision of the Plan, the Company shall not be required to take or permit any action under the Plan or any Award Agreement which, in the good-faith determination of the Company, would result in a material risk of a violation by the Company of Section 13(k) of the Exchange Act.

### **13. INTERPRETATION AND AMENDMENTS; OTHER RULES.**

The Committee may make such rules and regulations and establish such procedures for the administration of the Plan as it deems appropriate. Without limiting the generality of the foregoing, the Committee may (i) determine the extent, if any, to which Options, Phantom Shares or Shares (whether or not Shares of Restricted Stock) or Dividend Equivalent Rights shall be forfeited (whether or not such forfeiture is expressly contemplated hereunder); (ii) interpret the Plan and the Award Agreements hereunder, with such interpretations to be conclusive and binding on all persons and otherwise accorded the maximum deference permitted by law, provided that the Committee's interpretation shall not be entitled to deference on and after a Change in Control except to the extent that such interpretations are made exclusively by members of the Committee who are individuals who served as Committee members before the Change in Control; and (iii) take any other actions and make any other determinations or decisions that it deems necessary or appropriate in connection with the Plan or the administration or interpretation thereof. In the event of any dispute or disagreement as to the interpretation of the Plan or of any rule, regulation or procedure, or as to any question, right or obligation arising from or related to the Plan, the decision of the Committee, except as provided in clause (ii) of the foregoing sentence, shall be final and binding upon all persons. Unless otherwise expressly provided hereunder, the Committee, with respect to any grant, may exercise its discretion hereunder at the time of the Award or thereafter. The Board may amend the Plan as it shall deem advisable, except that no amendment may adversely affect a Participant with respect to an Award previously granted unless such amendments are required in order to comply with applicable laws; provided that the Board may not make any amendment in the Plan that would, if such amendment were not approved by the holders of the Common Stock, cause the Plan to fail to comply with any requirement of applicable law or regulation, unless and until the approval of the holders of such Common Stock is obtained.

### **14. CHANGES IN CAPITAL STRUCTURE.**

(a) If (i) the Company or its Subsidiaries shall at any time be involved in a merger, consolidation, dissolution, liquidation, reorganization, exchange of shares, sale of all or substantially all of the assets or stock of the Company or its Subsidiaries or a transaction similar thereto, (ii) any stock dividend, stock split, reverse stock split, stock combination, reclassification, recapitalization or other similar change in the capital structure of the Company or its Subsidiaries, or any distribution to holders of Common Stock other than cash dividends, shall occur or (iii) any other event shall occur which in the judgment of the Committee necessitates action by way of adjusting the terms of the outstanding Awards, then:

- (x) the maximum aggregate number and kind of Shares which may be made subject to Awards under the Plan, and the limitations under Section 4.2 may be appropriately adjusted by the Committee in its discretion; and
- (y) the Committee shall take any such action as in its judgment shall be necessary to maintain the Participants' rights hereunder (including under their Award Agreements) with respect to Awards, so that they are substantially proportionate to the rights existing in such Awards prior to such event, including, without limitation, adjustments in (A) the number of Shares subject to any outstanding Award, (B) the number and kind of shares or other property to be distributed in respect of an Award, (C) the Option Price and Phantom Share Value, and (D) Performance Goals established in connection with a Performance Award.

Any Shares or other securities distributed to a Grantee with respect to Restricted Stock or otherwise issued in substitution of Restricted Stock shall be subject to the restrictions and requirements imposed by Section 6, including depositing the certificates therefor with the Company together with a stock power and bearing a legend as provided in Section 6.2(a).

(b) If the Company shall be consolidated or merged with another corporation or other entity, each Grantee who has received Restricted Stock that is then subject to restrictions imposed by Section 6.3 may be required to deposit with the successor corporation the certificates for the stock or securities or the other property that the Grantee is entitled to receive by reason of ownership of Restricted Stock in a manner consistent with Section 6.2(b), and such stock, securities or other property shall become subject to the restrictions and requirements imposed by Section 6.3, and the certificates therefor or other evidence thereof shall bear a legend similar in form and substance to the legend set forth in Section 6.2(a).

(c) If a Change in Control shall occur, then the Committee, as constituted immediately before the Change in Control, may make such adjustments as it, in its discretion, determines are necessary or appropriate in light of the Change in Control, provided that the Committee determines that such adjustments do not have an adverse economic impact on the Participant as determined at the time of the adjustments.

(d) The judgment of the Committee with respect to any matter referred to in this Section 14 shall be conclusive and binding upon each Participant without the need for any amendment to the Plan.

## **15. MISCELLANEOUS.**

### *15.1 No Rights to Employment or Other Service.*

Nothing in the Plan or in any grant made pursuant to the Plan shall confer on any individual any right to continue in the employ or other service of the Company or its Subsidiaries or interfere in any way with the right of the Company or its Subsidiaries and its shareholders to terminate the individual's employment or other service at any time.

### *15.2 No Fiduciary Relationship.*

Nothing contained in the Plan (including without limitation Sections 7.5(c) and 8.4, and no action taken pursuant to the provisions of the Plan, shall create or shall be construed to create a trust or any kind, or a fiduciary relationship between the Company or its Subsidiaries, or their officers or the Committee, on the one hand, and the Participant, the Company, its Subsidiaries or any other person or entity, on the other.

### *15.3 Notices.*

All notices under the Plan shall be in writing, and if to the Company, shall be delivered to the Board or mailed to its principal office, addressed to the attention of the Board; and if to the Participant, shall be delivered personally, sent by facsimile transmission or mailed to the Participant at the address appearing in the records of the Company. Such addresses may be changed at any time by written notice to the other party given in accordance with this Section 15.3.

### *15.4 Exculpation and Indemnification.*

The Company shall indemnify and hold harmless the members of the Board and the members of the Committee from and against any and all liabilities, costs and expenses incurred by such persons as a result of any act or omission to act in connection with the performance of such person's duties, responsibilities and obligations under the Plan, to the maximum extent permitted by law, other than such liabilities, costs and expenses as may result from the gross negligence, bad faith, willful misconduct or criminal acts of such persons.

15.5 *Captions.*

The use of captions in this Plan is for convenience. The captions are not intended to provide substantive rights.

15.6 *Governing Law.*

THE PLAN SHALL BE GOVERNED BY THE LAWS OF MARYLAND WITHOUT REFERENCE TO PRINCIPLES OF CONFLICT OF LAWS.
