

Extra Space Storage Consumption Goals

Energy Consumption

<u>Target Type</u> Like-for-like	<u>Long Term Target</u> 3% reduction	<u>Baseline Year</u> 2017	<u>Baseline Year</u> 2021
-------------------------------------	---	------------------------------	------------------------------

Water Consumption

<u>Target Type</u> Like-for-like	<u>Long Term Target</u> 3% reduction	<u>Baseline Year</u> 2017	<u>Baseline Year</u> 2021
-------------------------------------	---	------------------------------	------------------------------

Waste Diverted from Landfills

<u>Target Type</u> Like-for-like	<u>Long Term Target</u> 6% reduction	<u>Baseline Year</u> 2017	<u>Baseline Year</u> 2021
-------------------------------------	---	------------------------------	------------------------------

Renewable Energy Generation

<u>Target Type</u> Absolute	<u>Long Term Target</u> 25% increase	<u>Baseline Year</u> 2018	<u>Baseline Year</u> 2023
--------------------------------	---	------------------------------	------------------------------

GhG Emissions (Scope 1 & 2)

<u>Target Type</u> Like-for-like	<u>Long Term Target</u> 3% reduction	<u>Baseline Year</u> 2019	<u>Baseline Year</u> 2024
-------------------------------------	---	------------------------------	------------------------------
